Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:

In addition to the teachings of the claims 1, 5, 6, 10, 11, and 15 as a whole, the closest prior art of record failed to teach or suggest:

"first reading-speed setting means which sets a reading speed of the ADF document reading means defined by a document transportation speed by the ADF to a predetermined first reading speed, upon detection by the reading mode detecting means that the document to be read is in the ADF document reading mode; and second reading-speed setting means which sets a reading speed of the manually placed document reading means defined by a moving speed of the scanning carriage to a predetermined second reading speed sufficient to reduce image vibration in a result of reading by the manually placed document reading means, upon detection by the reading mode detecting means that the document to be read is in the manually placed document reading mode, wherein the first reading-speed setting means changes the predetermined first reading speed defined by the document transportation speed by the ADF to be a high speed that enables a required number of sheets to be read per unit times and the second reading-speed setting means changes the predetermined second reading speed defined

Art Unit: 2626

by the moving speed of the scanning carriage to be a speed slower than the predetermined first reading speed."

Therefore, claims 2-4, 7-9, and 12-14 are allowable for depending on claims 1, 5, 6, 10, and 11.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
